Great. Your hard work is much appreciated. Can you confirm that you are now broadcasting from the Avcom tower in Newlands (as opposed to another tower in Newlands such as Caycom's)?

Thanks.

I am happy to officially report to the ICTA that Heaven 97 is now broadcasting from Newlands!! Not a moment too soon. I would like to thank HCJB world radio for the invaluable assistance we continually receive, the hardworking dedicated staff at Christian Communications and our wonderful God who continually gives us strength to meet every challenge and obstical that may find itself on our way! Thank you all for helping us through this difficult time.

With tears of joy
