Subject: TeleCayman Determination Request MPLS/CJFS

Staff of the Authority have now had an opportunity to study the TeleCayman Application of 11 July 2006, as supplemented on 18 July 2006, the C&W Answer of 31 July 2006, and the TeleCayman reply of 7 August 2006.

TeleCayman is hereby requested to file copies of the RFPs issued by Maples and Calder and by Appleby's, to which TeleCayman responded on 14 June 2006 and 26 October 2005, respectively.

C&W is hereby also requested to file copies of the relevant RFPs issued by Maples and Calder and by Appleby's. C&W is also requested to file the C&W responses to these RFPs and copies of all contracts that have been entered into between C&W and these two firms which flow from these RFPs.

It would be appreciated if these documents could be filed, serving a copy on the other party to this proceeding, by 5 September 2006.

Should a party wish to file a document in confidence, it is requested that the party also file on the same date a redacted copy of such document. In such an instance, only the redacted version of the document need be served on the other party to this proceeding.

Many thanks.

Best regards,
