Dear Mr. Archbold:

**Re: Public Consultation on Costing Manual – CD 2005-1 – Interrogatory Round 2 Extension Request**

Further to your interrogatories letter of 16 April 2007 (ICTA/80/105/105-11), and with respect to the deadline of today, 16 May 2007, C&W is requesting an extension.

Due to the time-consuming nature of a number of the interrogatories and the fact that we are reliant on individuals outside of our C&W for responding to others, we are requesting an extension in our filing. In order to submit the responses as soon as possible, we request submission of the responses to the 70 interrogatory questions in tranches. We propose that the majority (49 responses) be submitted tomorrow, 17 May 2007, then twelve responses on 25 May, seven on June 1, and the final two on June 8.

We attach the schedule for the responses below.
