Dear Licensees,

Following last year's public consultation on local number portability, the Authority's decision has now been published on our web site at [http://www.icta.ky/da\\_publications.php#decisions](http://www.icta.ky/da_publications.php#decisions). You will note that the decision requires, amongst several matters, that operators licensed to provide telephony services (Type 1, 3, 4 and 5 Services) implement LNP no later than 30 June 2010. In addition, the decision also requires that the LNP Consortium provide a report for approval to the Authority by 29 May 2009 that describes a recommended LNP solution and provides a detailed implementation plan and milestones.

In order to assist with this process, I would be grateful if each licensee would nominate one or two representatives to be a member of the LNP Consortium, by return e-mail no later than 23 January 2009. The first meeting of the LNP Consortium will be held on 4 February 2009 at 10:00am in the ICTA Conference Room. A draft agenda is attached to this e-mail.
