Subject: RE: LIME extension request for Phase 3 FLLRIC proceeding (CD 2009-1)

All,

Please note that we will be filing the 3G model today, 21 May 2009, and not 18 May 2009 as originally planned. As you are aware, the 18th and the 20th were public holidays, which interfered with pulling all the documents together. We apologize for the delay.

Darrel

This is in response to LIME's 17 March 2009 letter requesting an extension of the due date to submit a 3G model from 6 April 2009 to 18 May 2009.
