Dear Mr. Archbold

Re: Interrogatories regarding LIME's FLLRIC Phase 3 submissions

Cable and Wireless (Cayman Islands) Limited, trading as LIME ("LIME") is writing further to the Authority's 19 August 2009 letter on the above-noted subject. LIME will not be in a position to file responses to those interrogatories on 7 October 2009 as requested.

Accordingly, LIME requests an extension of the time to respond to the interrogatories. In order that the authority can begin reviewing responses as soon as possible LIME wishes to submit in three tranches according to the table listed below. The additional time will enable LIME to complete its responses to the 30 pages of questions posed by the Authority.

Please do not hesitate to contact me if you have any questions.

Yours faithfully,

Cable and Wireless (Cayman Islands) Limited

'Signed'
