Dear Mr. Archbold,

Re: FTR and Transit Rate Proceeding – CD2012-1

LIME is writing in response to the schedule for the remaining procedures set forth in the Authority's 13 December 2012 disclosure determination (CD 2012-1) in the FTR and Transit rate proceeding. Due to the large volume of interrogatories issued to LIME by the Authority and Digicel, the work necessary to properly and completely respond to those questions, and the limited personnel available to LIME for this work, LIME will not be in a position to provide answers to the interrogatories on Thursday, 7 March 2013.

Accordingly, LIME requests an extension of three weeks from the original deadline of 7 March 2013, to Thursday, 28 March 2013, in order to prepare a complete set of responses to the Authority's and Digicel's interrogatories.

Please do not hesitate to contact the undersigned if you should have any questions.

Yours faithfully,
Cable and Wireless (Cayman Islands) Limited, trading as LIME

'Signed'
