Dear Mr. Archbold,

**Re: Publishing of Rates, Terms, and Conditions of LIME Services**

Further to the Authority's follow-up letter dated 2 August 2013 on the above-referenced matter, Cable and Wireless (Cayman Islands) Limited, trading as LIME, has attached its answers to the Authority's questions.

If there are any questions, please do not hesitate to contact the undersigned.

Yours faithfully,  
Cable and Wireless (Cayman Islands) Limited, trading as LIME

'Signed'

Interrogatory Responses  
Publishing of Rates, Terms, and Conditions of LIME Services  
13 August 2013

1. In response to the Authority's 17 May 2013 interrogatory number 1 concerning the "up to five additional DID Cayman telephone numbers" being added as a Virtual Office optional feature, LIME stated that it had updated its website to reflect that change to the tariff.

The Authority notes that there appears to be differences between the "Rev. 1" version of the tariff now on LIME's website and the Proposed Tariff Page that was approved by the Authority.

For example, the "Chargeable Features" table in Item 604.5 on the proposed tariff page in the amended service filing that was submitted on 30 October 2007 was

<b>Feature</b>	<b>Set-Up Fee</b>	<b>Monthly Fee</b>
Bridged Night Number	N/A	\$5.95
Music On Hold (Less Than 30 Lines)	\$75.00	\$15.95
Music On Hold (30 To 100 Lines)	\$75.00	\$29.95
Optional Additional Telephone Number as DIDs (up to five additional DIDs per line)	N/A	\$30.00

whereas the corresponding table from the website is

<b>Feature</b>	<b>Set-Up Fee</b>	<b>Monthly Fee</b>
Bridged Night Number	N/A	\$5.95
Music On Hold (Less Than 30 Lines)	\$75.00	\$15.95
Music On Hold (30 To 100 Lines)	\$75.00	\$29.95
Additional Telephone Number as DID	N/A	\$30.00

It appears from the tariff page now on the website that LIME has used the version of the tariff pages from its initial filing on 18 October 2007 rather than the version of the tariff pages from the revised service filing on 30 October 2007.

As the Authority's approved the service filing dated 18 October 2007 as amended 30 October 2007, the tariff page must reflect the wording that has been approved by the Authority. Please provide corrected "Rev. 1" versions of the tariff pages that match the tariff pages that were submitted by LIME in its 30 October 2007 amended service filing.

## **RESPONSE**

LIME apologizes for this oversight and has implemented the change. The corrected "Rev.1" versions of the Tariff pages, that match the Tariff pages that were submitted by LIME in the amended service filing of 30 October 2007, are submitted herewith.

2. In response to the Authority's 17 May 2013 interrogatory number 4 concerning the introduction of a new service, Tariff Item 605 - Managed IP Circuit Service and consequential changes to Tariff Item 604 - Virtual Office Service, LIME responded that the website had been corrected to reflect these changes.

The Authority notes that while Item 605 has been added to the website, the changes in Tariff Item 604 that were submitted by LIME as "Rev. 2" of the tariff pages for that item (which were subsequently approved as part of that service filing) are not shown on the website. Please provide corrected "Rev. 2" versions of the tariff pages for Tariff Item 604 reflecting the changes that were approved with that service filing. In making these changes, ensure that the changes discussed in interrogatory number 1 above are included in the "Rev. 2" version. Please correct the website to reflect the corrected "Rev. 2" version of those pages and indicate in writing to the Authority that this has been done.

## **RESPONSE**

LIME has implemented the change and has now updated the website to reflect this fact. LIME apologizes for this oversight. The corrected "Rev.2" version of the Tariff pages for Tariff Item 604 reflecting the approved changes is submitted herewith.

**PART F INTERNET ACCESS SERVICES - continued**

**Item 604 Virtual Office Service**

**1. Service Description**

- 1) This Item is subject to the terms and conditions of Part A and Item 600 of this Tariff.
- 2) Virtual Office Service is a hosted voice-over-IP service that provides Customers with an intercommunicating service between Stations in their offices without having a PABX on premises, as well as access to the C&W PSTN.
- 3) Virtual Service offers essential features found on IP PABXs, as well as additional features such as Integrated Call Management, Message Notification, and access to soft clients or from IP Phones. Virtual Office is available in “Silver” and “Gold” packages with varying feature sets.
- 4) Virtual Office is subject to an Installation charge, and to Monthly Charges per Station connected to the Virtual Office platform. Rates and Charges are set out in sub-item 604.5.
- 5) Initial Term: Monthly, One, Two or Three year.

**2. Definitions**

“DID” means, for the purposes of this Tariff Item, Direct Inward Dialling.

“High-Speed Internet Access” means an Internet access service, provided by C&W or another service provider, providing Bandwidth of 1024 kbps or higher.

“Line” means, for the purposes of this Tariff Item, a port on the C&W Virtual Office platform enabling a Station to use the platform and make Calls.

“Station” means suitably-equipped Customer Equipment designed for use with the C&W Virtual Office service for the provision of Telephone Service.

GENERAL TARIFF

**PART F INTERNET ACCESS SERVICES - continued**

**Item 604 Virtual Office Service - continued**

**3. Terms and Conditions**

- 1) C&W will provide access to and use of the C&W Virtual Office platform via a High-Speed Internet Access service connecting the Customer's LAN to the platform. The size of the High-Speed Internet Access service required will depend on the bandwidth required for voice and data needs and/or number of users or Stations required.
- 2) The Customer is responsible for providing the necessary High-Speed Internet Access service to use Virtual Office Service. C&W does not provide High-Speed Internet Access services under this Tariff Item 604.
- 3) As an alternative to a High-Speed Internet Access service, the Customer may subscribe to a C&W Domestic Private Leased Circuit of equivalent bandwidth. However, this Circuit must be dedicated to the Virtual Office Service and cannot also be used to carry data. C&W does not provide Domestic Private Leased Circuit services under this Tariff Item 604.
- 4) Virtual Office Service is only available to Business Customers.
- 5) The Customer will be unable to make or receive calls using Virtual Office service if:
  - the Customer's High-Speed Internet Access service is down, or
  - Electrical power to the Customer's LAN or Stations has been interrupted.
- 6) The Customer acknowledges that C&W will route "911" emergency calls to the Emergency Communications Centre in the Cayman Islands only, and that C&W will provide to the Emergency Communications Centre the Customer's Telephone Number and the Customer's physical service location on file. The Customer advises

GENERAL TARIFF

---

**Item 604 Virtual Office Service - continued**

C&W of this location at the time of subscription, and updates it as necessary in writing from time to time. The Customer acknowledges that the Emergency Communications Centre will not have accurate information available if the Customer should change the location of the Station without advising C&W. If the Customer should need to dial “911”, the Customer agrees to assist emergency personnel by stating the nature of the emergency promptly and clearly, including the Customer’s location and telephone number.

- 7) The Customer is responsible for providing the Stations and LAN, and for the installation and configuration of their Layer 3 switch connected to their LAN. Not all features may be available with all Stations. C&W can provide IT Service to the Customer upon request, at the additional charge set out in sub-item 604.5.
- 8) Use of the Virtual Office platform includes unlimited calling between Stations that are part of the Customer’s Virtual Office Service.
- 9) Virtual Office Service includes access to the C&W PSTN for the purposes of making Telephone Calls. Usage Charges for Calls are charged separately under the terms of the applicable General Tariff Item, including without limitation Item 201 (Basic Telephone Service) and Item 401 (International Direct Dial Calls). Calls to Virtual Office Service Stations that are not part of the Customer’s Virtual Office Service are considered Telephone Calls.
- 10) Virtual Office Service Customers are eligible for Simplicity Service (General Tariff Item 405).

Term and Termination

- 11) The Initial Term of Virtual Office Service will start on the Service Start Date and will continue for the period of one, two or three years selected by the Customer.

GENERAL TARIFF

---

**PART F INTERNET ACCESS SERVICES - continued**

**Item 604 Virtual Office Service - continued**

- 12) C&W shall notify the Customer of the Service Start Date. Any Customer Apparatus not installed, operational or otherwise available by the Service Start Date shall not be grounds for the Customer not paying applicable Charges.
- 13) After the expiry of the Initial Term, Virtual Office Service will automatically renew for a new Term of the same length, unless either the Customer provides C&W not less than thirty (30) days' prior written notice that it does not wish to renew, or that it wishes to sign a new Term of a different length.
- 14) The Customer may terminate Virtual Office Service at any time before the Service Start Date. The Customer shall be responsible for any costs incurred by C&W in reference to the Customer's request for service.
- 15) The Customer may terminate Virtual Office Service at any time during the Initial Term on thirty (30) days' prior written notice. The Customer will pay fifty percent (50%) of the remaining contract value. This fee will not apply if:
  - i. the Customer terminates the Service due to C&W being in default hereunder or
  - ii. C&W terminates the Service due to any reason other than the Customer being in default hereunder.
- 16) The Customer may add to the original contracted number of Virtual Office Lines at any time at the applicable rate. The Customer may reduce the number of contracted Virtual Office Lines on thirty (30) days' prior notice. Where the number of Virtual Office Lines being terminated equals 10% or more of the contracted number of Virtual Office Lines, the Customer shall pay a fee equal to fifty percent (50%) of the remaining contract value of those Lines being terminated.

Additional Rights and Obligations

- 17) The quality of Virtual Office Service depends in part on the bandwidth of the High-Speed Internet Access or Domestic Private Leased Circuit Service selected by the Customer, and C&W cannot guarantee fault-free performance.
- 18) Customer must provide its own anti-virus, anti-spam, firewall or other protection for its computer or LAN, as applicable. C&W does not provide such services as part of Virtual Office Service.
- 19) Virtual Office packages may be upgraded without incurring a Service package change fee. An administrative Charge of \$125 will be applied to any Service package downgrade (or number of downgrades requested at the same time). This Charge will be waived if the Customer signs a new one-, two- or three-year term at the same time.
- 20) The Monthly Charges are payable even if the Customer does not use the service during a month or part of a month. Virtual Office Service may not be suspended by the Customer at any time.
- 21) Virtual Office Service is offered on a post-paid basis only.
- 22) All Virtual Office Service Stations are assigned a Telephone Number used as a DID.

**4. Virtual Office Packages**

- 1) Virtual Office offers essential features found on today's IP PABX plus Integrated Call Management, Voice Mail, Message Notification access to soft clients or from IP Phones.
- 2) Virtual Office is available in "Silver" and "Gold" packages with the following sets of features. The "Silver" package is the basic, entry-level package.
