Dear Mr. Ritch,

**Re: Application to Withdraw Wireless Backup Leased Circuit Service**

In a 5 June 2013 service filing, Cable and Wireless (Cayman Islands) Limited ("LIME"), requested the approval of the Information and Communications Technology Authority (the "Authority") for LIME to withdraw the Wireless Backup Leased Circuit service from its tariff and its list of authorised services.

LIME identified that, while it had received approval to provide the service from the Authority on 21 August 2008, LIME does not and never did have customers on the service.

Given the above, the Authority approves the withdrawal of that service.

Yours sincerely,
