C&W is filing this application and the attached proposed tariff pages in confidence with the Authority. The marketing and pricing plans of C&W are information that is of a commercial nature and is consistently treated in a confidential manner by C&W until they are implemented. C&W's competitors and potential competitors would gain advance knowledge of C&W's marketing and pricing plans, even before the information could be made available to C&W's customers or to the general public. Disclosure of this information would enable them to develop competitive and targeted marketing and pricing responses, even before C&W would be able to implement its own plans. In addition, the cost information set out in this letter, if disclosed to the public at any time, would cause C&W specific and direct harm.

An abridged version of this letter will be filed. All confidential information has been replaced by "###". We do not propose to provide an abridged version of the tariff pages.

Please contact me regarding any questions you may have.

Yours faithfully,
