Dear Mr. Brazeau and Mr. Connor,

**Re: Telecayman Request for Access to Government Duct Space**

The purpose of this letter is to confirm that Telecayman Limited and the Government of the Cayman Islands have agreed to engage in discussions concerning Telecayman's request for access to Government duct space. Therefore, in accordance with subsection 8(h) of the Information and Communications Technology Authority (Dispute Resolution) Regulations, 2003, the Authority hereby directs the parties to nominate a contact with whom the Authority's Staff can coordinate a time, date and location for such a meeting. Please forward the contact information to Mr. David Laliberté, the Authority's General Counsel, no later than Friday 21 November 2008, either by phone at (345) 746-9610 or by e-mail at david.laliberte@icta.ky.

The Authority anticipates that the first meeting with the parties will be held before the end of November 2008.

The Authority notes that, while it is prepared to facilitate and attend such negotiations, it will not participate directly in the discussions. The Authority considers that a direct involvement in these negotiations would be inappropriate as it may be required to adjudicate this dispute at a later date.

Should you have any questions, please do not hesitate to contact me at (345) 746-9600.

Yours sincerely,

David Archbold  
Managing Director
