6 July 2011

Mr. Victor Corcoran
Digicel Cayman Limited
Cayman Financial Centre
36A Dr Roys Drive
P.O. Box 700 GT
Grand Cayman
Cayman Islands

Dear Mr. Corcoran,

Re: Digicel Request dated 17 June 2011

LIME hereby responds to the captioned request:

Fully Unbundled Local Loops

LIME hereby requests further and better particulars of the request for "Fully Unbundled Local Loops" at the listed locations. In particular, please provide a network diagram setting out Digicel's proposal in sufficiently complete and accurate terms to allow LIME to properly assess the request.

Dark Fibre

There is insufficient capacity to fulfil Digicel's request for a dark fibre ring between Lancaster Crescent and the Maya 1 High Rock Landing. There are no unlit fibres on the requested route.

Yours faithfully,
Cable & Wireless (Cayman Islands) Ltd.

'Signed'

Anthony Ritch
