Mr. Victor Corcoran
Chief Executive Officer
Digicel (Cayman) Limited
Cayman Financial Centre
P.O. Box 700 GT
Grand Cayman
Cayman Islands

Dear Mr. Corcoran:

LIME acknowledges receipt of your letter dated 19 October 2011. We have reviewed Digicel's request, however, given the current competitive environment in the Cayman Islands, there is no public policy basis for LIME to be required to expend the time and resources needed to develop this service and the related facilities. LIME would nonetheless be happy to discuss with Digicel the provision of any existing wholesale services that would address Digicel's needs.

Yours sincerely,

A handwritten signature in black ink that reads "D Nelson".
