Dear Mr. Archbold

**Re: Digicel's 7 March 2012 Letter**

Cable and Wireless (Cayman Islands) Limited, trading as LIME ("LIME") acknowledges receipt of a letter dated 7 March 2012 letter (the "**Letter**") from Digicel Cayman Limited ("**Digicel**"). Failure to respond to any specific point raised by Digicel should not necessarily be construed as agreement with that point.

As indicated in our letters of 28 November 2011 and 2 March 2012, LIME already has products available that fully satisfy its obligations under the *Information and Communications Technology Authority (Interconnection and Infrastructure Sharing) Regulations, 2003*, and that LIME is willing to discuss and provide to Digicel. Unfortunately, Digicel has chosen again not to engage with LIME's Carrier Services in a good faith discussion of the issues.

Nevertheless, in an effort to encourage Digicel to join LIME in constructive dialog, LIME has attached a copy of its ADSL Port Service Schedule to the Service Provider Agreement, with relevant pricing. We recommend that Digicel contact Mr. Derrick Nelson at +1 (876) 936-4845 to talk about the provision of this service.

LIME continues to recommend that the Authority dismiss Digicel's claims in its 14 February 2012 letter, and allow the parties to continue to discuss Digicel's requirements, as contemplated by sections 3 and 4 of the *Information and Communications Technology Authority (Dispute Resolution) Regulations, 2003*.

Please do not hesitate to contact the undersigned if you should have any questions.

Yours faithfully,  
Cable and Wireless (Cayman Islands) Limited, trading as LIME

‘Signed’
