**Subject:** Digicel/LIME Interconnection Agreement Dispute - Request by Digicel for a Right of Reply

The Authority has received a letter from Digicel requesting that it be given a right to respond to C&W's submission dated 11 January 2010 in the above mentioned proceeding.

After careful consideration, the Authority has determined that, although the Dispute Resolution Regulations do not explicitly provide a right of reply to Digicel, it is appropriate in the present case to allow such a reply. The Authority emphasizes, however, that Digicel's reply must be responsive to C&W's 11 January 2010 submission and must not introduce any new evidence. This reply must be filed no later than **22 January 2010** and must be copied to LIME, TeleCayman and WestTel at the same time as it is submitted to the Authority.

Regards,

**David Laliberté**
