Dear Mr. Archbold,

**Re: ICTA FLLRIC Public Consultation – CD (2004) 1**

In ICT Decision 2005-4 (¶ 137), the Authority directed Cable & Wireless (Cayman Islands) Ltd. to identify on 9 September 2005, the date by which we will be prepared to file a completed draft costing manual and to identify an estimated time frame for the completion of the two example cost studies. We are pleased to provide a date and time frame in this letter.

In addition, we are providing a suggested schedule for other items identified in ICT Decision 2005-4 that did not appear to have a schedule identified by the Authority. Specifically, in paragraph 54, the Authority requested proposals from parties on how to allocate common costs. Also, in paragraph 104, the Authority requested information from other jurisdictions regarding the determination and level of expense factors, and whether such factors (with possible adjustments) could be used for the Cayman Islands. Finally, in paragraph 115, Cable & Wireless was directed to provide economic asset lives along with supporting asset life studies. The resolution of these issues is necessary for a draft costing manual and example cost study. Therefore, we have included a timeline for completion of these issues in our proposed schedule.

The following table summarizes our proposed schedule:

Date	Item
23-Sep-05	Intervenors respond to C&W 9 September proposal
30-Sep-05	ICTA issues decision on schedule
21-Oct-05	Parties file comments on (1) how to allocate common costs, and (2) expense

	factors
21-Oct-05	C&W files economic lives and associated studies
18-Nov-05	ICTA issues decision on allocation of common costs, expense factors, and economic lives
20-Jan-06	C&W files draft costing manual and two example cost studies
10-Feb-06	Parties file comments on draft costing manual & example cost studies
24-Feb-06	C&W responds to intervenor comments
17-Mar-06	ICTA issues decision on draft costing manual and example cost studies
14-Apr-06	C&W files final costing manual and cost studies

Yours faithfully,  
Cable & Wireless (Cayman Islands) Ltd.

“Signed”
