Subject: RE: Public Consultation on Costing Manual - CD 2005-1 - ICTA/Telcordia Third Round Interrogatories - Extension Request

Rudy

This email is in response to C&W's letter of 30 July 2007 requesting an extension to 7 August 2007 for the filing of responses to ICTA/Telcordia interrogatories. That request is hereby approved.

In addition, as a request for disclosure process is underway for some of the information filed by C&W in confidence in previous responses to interrogatories, it may be appropriate to extend the comment and reply period by more than the one week suggested by C&W. The Authority will identify to all parties the new Comment and Reply due dates once the schedule has been finalized.
