Request for the Provision of
Local Number Portability Services
In the Cayman Islands

The Local Number Portability (LNP) Consortium of the Cayman Islands is the association of the fixed and mobile voice telecommunications operators in the Cayman Islands.

The Consortium was created in response to the mandate by the regulator, the Information and Communications

Technology Authority, to implement local number portability services on both fixed and mobile networks, and is currently seeking a person/company to provide the necessary central order handling process and reference database services.

If you are interested in providing these services to the members of the LNP Consortium, please contact the Chair of the LNP Consortium by facsimile on +1-345-814-0644 or by e-mail to frans.vandendries@time4lime.com before noon on Tuesday, May 4th, 2010. Please ensure you provide full contact details, as the Consortium wishes to make its requirements available to all interested parties by no later than Friday, May 7th, 2010.
