Subject: [*SP* 27%] RE: FLLRIC Phase III second round ICTA interrogatories to LIME

Dear Mr. Archbold,

Re: Second Round of Interrogatories regarding LIME's FLLRIC Phase 3 submissions

Due to technical issues, LIME did not receive until yesterday, 25 May 2010, the 13 May 2010 notice from the Authority requiring LIME to address another fifty-seven interrogatories regarding the FLLRIC filings. LIME has initiated a full investigation into this matter as this is understandably quite concerning. The original timeframes would have had LIME proposing redactions to the interrogatories by 21 May 2010, and answering the interrogatories by 10 June 2010.

LIME would appreciate an opportunity to propose redactions to the questions and respectfully requests an extension of the time to file to 31 May 2010.

LIME also requests an extension of the time to file the responses to the interrogatories from 10 June 2010 to 25 June 2010. This additional time would permit LIME the opportunity to properly review and answer the questions.

Thanks for your consideration.

Kind Regards,

Tony
