Mark,

A few quick questions:

Re Int 33, it looks to me like it should reference first round Int 96, not 94. Could you verify?

Re Int 34, I could not find cells E135 or E133 in the Demand Assumptions sheet of the 3G model that was updated on 10_03_11. Am I looking at the right document?

Re Int 40, same question re cells G105, G110 and G115 in the Network Costs sheet of the 3G model. Am I looking at the right thing?

Thanks

Frans
