CAYMAN ISLANDS

Dear Mr. Ritch,

Fourth Round of Interrogatories regarding LIME's FLLRIC Phase 3 submissions

The Information Communications and Technology Authority (the "Authority") and its consultant (Telcordia) are continuing the detailed reviews of the FLLRIC cost model and materials (including answers to previous interrogatories) submitted by Cable and Wireless (Cayman Islands) Ltd ("LIME"). In order to facilitate its analysis, the Authority requires LIME to provide responses to the questions in the Attachment by **10 November 2010**. When responding, please repeat the entire question above the corresponding response to each question.

In addition, when submitting revised versions of the FLLRIC cost model, LIME is directed to provide all modules and all linked spreadsheets with fully functional links between them. Further, each spreadsheet and module should be identifiable by a version number.

At this time, the Authority is providing the Attachment in confidence to LIME. However, in order to help keep interested parties to this proceeding properly informed and to provide LIME with an opportunity to redact the portions of the questions that it considers confidential, LIME is directed to follow the following procedure. If LIME considers any of the information in the interrogatories to be confidential, it is to provide a redacted version of the Attachment to the Authority by **27 October 2010** with

copies sent to the distribution list for this proceeding at the same time the redacted version is submitted to the Authority. If LIME does not consider any of the information in the interrogatories to be confidential, it is to provide a revised version of the interrogatories to the Authority removing the "Confidential" indications by **27 October 2010** and copy the distribution list for this proceeding at the same time the revised version is submitted to the Authority.

If LIME has any questions about the contents of these interrogatories, please feel free to contact Jasper Mikkelsen by e-mail (jasper.mikkelsen@icta.ky) or telephone at (345) 746-9630.

Yours sincerely,
