Dear Mr. Connors,

LIME is writing in response to the Authority's 13 December 2012 disclosure determination (CD 2012-1) in the FTR and Transit rate proceeding. While we have made substantial progress, due to limitations on staff and the scope of the Authority's disclosure instructions, LIME will not be in a position to file a revised public version of the fixed FLLRIC module on Friday, 28 December 2012.

Accordingly, LIME requests an extension of one week to Friday, 4 January 2012 to respond properly and completely to the Authority's disclosure instructions.

Kindest regards,

Jayne Woollard
