Philip Brazeau,
Information and Communications Technology Authority,
3rd Floor, Alissta Towers
North Sound Way
P.O. Box 2502GT,
Grand Cayman.

Dear Philip,

We at WestStar TV Ltd feel it is in the best interest of all Telephony Licence holders on the Cayman Islands to share phone numbers across the board. Number Portability is practiced in many areas of the world and is working very well. Although this does create some additional cost, by spreading it across all Licence holders we can decrease it for individual companies.

Best regards,
