Dear Sir:

Regarding the public consultation on Local Number Portability (LNP), specifically the question:

"having a process that allows customers to keep their existing telephone number if they change to a different telephone company could add a maximum of 85c per telephone line to everyone's monthly telephone bill. Pre-paid rates also could be adjusted to reflect a similar increase. Is this acceptable?",

Blue Sky Wireless Ltd (BSW) is totally in agreement and considers this acceptable. We believe that the benefit of preserving the same number while switching to a different telephone company far outweighs the charging of this fee.

Best regards,

Pedro Gutierrez
Chief Operations Officer
Blue Sky Wireless Ltd.
