RE: LRIC Extension

Dear Mr. Archbold,

Given the significant volume of new information provided by Cable & Wireless (“C&W”) in response to interrogatories issued by Digicel, Wireless Ventures and the ICTA, Digicel hereby requests an extension of a further 3 weeks from August 20th deadline to respond to the current consultation on the LRIC model/s.

Digicel believes it requires this additional time in order that it can prepare as full and valuable response as possible and trusts that given the agreement signed between the three parties on July 23rd that such an extension should not interfere with the proposed timetable on LRIC pricing.

Yours sincerely,

“SIGNED”

John D. Buckley
