Dear Sirs,

### **Indirect Access Public Consultation (Ref: CD (2003) 7) - Interrogatories**

The Authority issued an interim decision on the above noted proceeding on 20 May 2004, concluding among other things, that indirect access should not be mandated at this time. However, the Authority considered the introduction of indirect access may be of benefit to the Cayman Islands, and stated it would be issuing interrogatories to all facilities-based Licensees.

As you are either not a Licensee but filed comments in the public consultation or you are a facilities-based Licensee but did not file comments in the public consultation, you are invited to respond to any of the applicable interrogatories listed below. Please note that it is not mandatory for you to respond, however, you may wish to do so in order to make your views known to the Authority.

Applicable interrogatories: 1, 2A-2C, 3D, 4, 5, 6A-6E, 6G, 8, 10 (Mobile Licensees only), 13, 14, 15 (Mobile Licensees only), 19A

If you choose to respond, you must file your responses to interrogatory 3 within **14 days** of the date of this letter and to the remainder of the applicable interrogatories within **60 days** of the date of this letter.

When filing your responses, kindly repeat the interrogatory in the response.

At the time of filing your responses with the Authority, you are requested to copy your responses on the other addressees and on the parties listed at the bottom of this letter.

Yours sincerely,

"Signed"
