

Notice of Consultation

FS 2023 – 1 – Consultation Proposed Fuels Quality Standards

The Utility Regulation and Competition Office ('OfReg') hereby issues a Notice of Consultation on the Fuel Quality Standards to be used in the Cayman Islands.

In order for the Office to effectively and efficiently carry out its duties regarding its regulatory remit, more specifically environmental safety, transparency, and product quality assurance; the Office sees it necessary to draft Fuel Quality Standards ("the Standards") for fuel.

The fuels for consideration in the Fuel Quality Standards are:

- gasoline,
- ethanol-blended gasoline,
- propane,
- diesel,
- biodiesel
- blended diesel,
- biodiesel.

Interested parties are encouraged to review the consultation which is set to be launched on Wednesday 1st November 2023.

The Consultation will be available at www.ofreg.ky under the consultation tab.

OfReg encourages concerned parties participating in the Consultation process by commenting on the Fuel Quality Standards supported by appropriate justifications, to the issues raised in the Consultation.

This is a closed consultation for Sub-Committee members of the Fuel Standards Committee and selected fuel stakeholders. All comments will be taken into consideration by the Office.

Responses to the consultation must be submitted to OfReg on or before 5 p.m., Thursday 30 November 2023. Responses submitted after 5 p.m. will not be considered.

Responses can be submitted:
