Dear Dr Richards;

**Re: Request for Further Information- C3 Dispute with DataLink**

As per the Dispute Resolution Regulations, 2003 (Regulation 8) and the Authority Law (2011 Revision), Infinity Broadband Ltd (t/a “C3”) hereby provides further information as requested in the 26 June 2015 letter from the Information Communication Technology Authority (“ICTA”).

Q1. Provide a copy of the non-redacted version of the Deed of Variation between CUC and Infinity relating to the Master Pole Joint Use Agreement, dated 22 November 2005.

*A. Attached are two version of non-redacted Deed of Variation, the first is dated 19 March 2012 and the other is dated 20 March 2012. The only difference found between these two documents relates to clause 1(e) “E. Attaching Utility shall install its Attachment at the top of the Assign Space”. This clause was not on the 19 March 2012 version.*

Q2. Provide a detail breakdown of the cost incurred by Infinity for the purchase and maintenance of assets required by Infinity to be used for the purpose of attaching Infinity’s communications cables on CUC’s Poles.

*A. See attached Asset Register for all equipment and components purchased for Infinity’s construction department.*

Q3. Provide a detail breakdown of the cost estimated for the purchase of bucket truck(s) that may be required to be used by Infinity for the purpose of attaching Infinity’s communications cables on CUC Poles.

*A. Infinity has not purchased any bucket trucks to attach its communications cables on CUC’s Poles, but it has bought heavy trucks with cranes and ladders, those are detailed on the Asset Register provided for question 2.*

Q4. List all the relevant fees that DataLink has applied to Infinity's use (or expected use) of CUC's Poles, on quarterly basis from Quarter 1 (January- March) 2012 through to the end of Quarter 1 (January- March) 2015, as shown in Table 1.

*A. See attached Table 1*

Q5. List all the relevant information requested in Table 2, provided on a quarterly basis from Quarter 1 (January- March) 2012 through to the end of Quarter 1 (January- March) 2015.
