Dear Ms. Stafford,

Re: Request for Information

On 12 September 2014, Infinity Broadband, Ltd ('Infinity') submitted a dispute determination request to the Information and Communications Technology Authority (the 'Authority') relating to the allocation of communications space used for attachment of telecommunications cables on poles managed by DataLink, Ltd ('DataLink') ('Infinity/DataLink Pole Attachments Dispute').

On 2 October 2014, DataLink submitted its response to the dispute determination request submitted by Infinity.

DataLink is obliged under its Licence (Licence Condition 4.1), the Dispute Resolution Regulations, 2003 (Regulation 8) and the Authority Law (2011 Revision,) to provide the Authority in the manner and at the times required by the Authority, on reasonable notice, any information requested.

In order for the Authority to continue its investigation into the Infinity/DataLink Pole Attachments Dispute, the Authority is requesting DataLink to provide the following:

1. Please provide a copy of the non-redacted version of Appendix A (Pole Attachment Fees) of the CUC/DataLink Master Joint Use Pole Agreement, dated 20 March 2012.
2. Please provide a copy of the non-redacted version of the Deed of Variation between CUC and Infinity relating to the Master Pole Joint Use Agreement, dated 22 November 2005.
3. Please provide a copy of the non-redacted version of Schedule B to the Agreement for Licensed Occupancy of CUC Poles by LIME, dated 5 November 1996.
4. Please clarify whether the *Quarterly Attachment Fee* and the *Quarterly Pole Rental Fee* relate to the same service provided by DataLink. If it is not, please explain what is the difference between the service charged as *Quarterly Attachment Fee* and the service charged as *Quarterly Pole Rental Fee*.
5. Please list per each Licensee (Attaching Utility) all the relevant fees (per pole) that have been applicable in relation to the use (or expected use) of CUC's Poles, on a quarterly basis from Quarter 1 (January – March) 2012 through to end of Quarter 1 (January – March) 2015, as shown in **Table 1**.
6. Please provide the following information regarding the Poles used (or expected to be used) by each Licensee (Attaching Utility), on a quarterly basis from Quarter 1 (January-March) 2012 through to end of Quarter 1 (January-March) 2015, as shown in **Table 2**.

DataLink is required to provide its response to the information requested above by **5 p.m., 17 July 2015**.

If DataLink files any information in confidence with the Authority, it should also file redacted versions for the public record along with the reasons for each confidentiality claim and the other requirements for confidentiality claims as specified in the *ICTA Law (Confidentiality) Regulations, 2003* (<http://www.icta.ky/docs/Regs/ICTA-%20Confidentiality%20Regulations.pdf>).

At this time, the Authority is providing this letter in confidence to DataLink. However, in order to maintain a full public record of the proceedings in this matter, DataLink is hereby directed **by 5 p.m., 6 July 2015**, to either: 1) indicate in writing to the Authority that it does not intend to make any confidentiality claim in relation to the content of this ICTA letter; or, 2) provide a redacted version of this letter to the

Authority redacting the portions of the questions that it considers confidential and providing the reasons for each confidentiality claim and the other requirements for confidentiality claims as specified in the *ICTA Law (Confidentiality) Regulations, 2003*.

Yours sincerely,

[signed]

Dr Russell Richardson
General Counsel and Deputy Director Industry Affairs
