PO Box 31112

CAYMAN ISLANDS

Dear Mr. Edenholm,

**Re: Request for Information**

On 12 September 2014, the Information and Communications Technology Authority (the 'Authority') received a determination request filed by Infinity Broadband, Ltd ('Infinity') under the Information and Communications Technology Authority Dispute Resolution Regulations (2003), relating to the provision by DataLink, Ltd ('DataLink') of its pole attachment services. DataLink filed its written response to that determination on 2 October 2014.

As the matter of the dispute between Infinity and DataLink may be relevant to other licensees, the Authority considers it necessary to collect relevant information from all the licensees who purchase pole attachment services from DataLink.

Logic is obliged under its Licence (Licence Condition 4.1), the Dispute Resolution Regulations, 2003 (Regulation 8) and the Authority Law (2011 Revision,) to provide the Authority in the manner and at the times required by the Authority, on reasonable notice, any information requested.

Accordingly, the Authority is hereby requesting Logic to provide the following:

1. Please list all the relevant fees applied to Logic's use (or expected use) of CUC's Poles managed by DataLink, on a quarterly basis from Quarter 1 (January-March) 2012 through to the end of Quarter 1 (January-March) 2015, as shown in **Table 1**.
2. Please list all the relevant information requested in **Table 2**, provided on a quarterly basis from Quarter 1 (January-March) 2012 through to the end of Quarter 1 (January-March) 2015.

Logic is required to provide its response to the information requested above by **5 p.m., 17 July 2015**.

If Logic files any information in confidence with the Authority, it should also file Redacted versions for the public record along with the reasons for each confidentiality claim and the other requirements for confidentiality claims as specified in the *ICTA Law (Confidentiality) Regulations, 2003* (<http://www.icta.ky/docs/Regs/ICTA-%20Confidentiality%20Regulations.pdf>).

At this time, the Authority is providing this letter in confidence to Logic. However, in order to maintain a full public record, Logic is hereby directed by **5 p.m., 6 July 2015** to either: 1) indicate in writing to the Authority that it does not intend to make any confidentiality claim in relation to the content of this ICTA letter; or, 2) provide a redacted version of this letter to the Authority redacting the portions of the questions that it considers confidential and providing the reasons for each confidentiality claim and the other requirements for confidentiality claims as specified in the *ICTA Law (Confidentiality) Regulations, 2003*.

Yours sincerely,

[signed]

Dr Russell Richardson  
General Counsel and Deputy Director Industry Affairs
