Dear Mr. Archbold

RE: LNP

We are happy to provide some comments on LNP costs.

A maximum of 85 cents a month on our bill is acceptable as long as everyone can keep their phone number and change to another phone company.

It is our opinion that if we could move to another phone company for more than a year, they will probably not charge us \$10.00.

Our biggest concern is that LNP works well and does not affect service. As a business, we cannot accept to have our telephone service interrupted. We hope that the ICTA will ensure that everything goes smoothly with all other companies as well.

Yours truly,
