**Re: Process Arising from Comments Received in the Public Consultation on Local Number Portability (CD 2008-1)**

Dear Sir/Madam,

The Information and Communications Technology Authority (the "Authority") has received a number of submissions from Licensees and members of the public in response to the Public Consultation on Local Number Portability (CD 2008-1). These comments are posted on the Authority's web site at: [http://www.icta.ky/da\\_public.php#lnp2](http://www.icta.ky/da_public.php#lnp2). Some of these submissions requested an opportunity to reply to the comments submitted in the first stage of the process.

After carefully considering all of the submissions, the Authority has determined that a second round of comments would be appropriate. Accordingly, the Authority invites comments from Licensees and members of the public on the comments submitted in the first stage of the process. All submissions on this issue should be in writing to be received by the Authority by the **1<sup>st</sup> of September 2008** at the latest. Submissions may be filed as follows:
