

Notice of Consultation

**FS 2022 – 1 – Consultation
Cayman Island Fuel Sector – Draft Determination on Foster Group Holdings
Ltd. Acquisition of Home Gas Ltd.**

23 June 2022

The Utility Regulation and Competition Office ('OfReg' or 'the Office') is launching a consultation **draft determination on Foster Group Holding Ltd. (FGHL) acquisition of Home Gas Limited (HGL)**. The Office considers that it is in the interest of the parties to whom this consultation is directed to assess the Office's draft determination on FGHL's acquisition of HGL through the purchase of the entire issued share capital of HGL. The Office has determined that the acquisition by FGHL of HGL shares is not anticipated to have an effect of substantially lessening competition in the Propane Market in the fuel sector, and would not have the effect, nor would be likely to have an effect contrary to the public interest.

All parties are encouraged to read the document and to submit any comments and feedback, with supporting evidence they may have.

The consultation document can be downloaded at www.ofreg.ky

Responses to the consultation must be submitted to OfReg on or before **5:00 p.m., 6 July 2022** and are to be submitted:
