Type S Licence

Type S Licences are issued annually on the basis of the number of transmitters/channels per location.

* The requested assignment of the ICT Licence of CAYROCK 96.5 FM (formerly Style 96.5 FM Ltd.) to dms Broadcasting Ltd. is hereby granted, subject to the conditions that the present antenna location and effective radiated power be maintained, to be changed only upon approval of a subsequent application to the Authority. Furthermore, the frequency of 96.5 MHz is itself subject to change, should the Authority, in consultation with Cayman radio broadcasting community, determine to pursue further the initiatives to harmonize assigned frequencies at fourth or third adjacent, as discussed at the meeting held on 20 April 2006.
