Dear Mr. Edenholm,

WestTel Ltd. request for consent to transfer interest – Consent under Section 25(1) of the ICTA Law (2011 revision)

I refer to WestTel Ltd.'s (t/a '**Logic**') request (the '**Request**'), made on 16 October 2015, for the Authority's approval to transfer interest in Logic, a wholly owned subsidiary of KeyTech Limited ('**KeyTech**'), to Atlantic Tele-Network, Inc. ('**ATN**') – whom, as result of the Transaction, will become the beneficial owner of at least 51% of the issued and outstanding voting shares in the capital of KeyTech, a publicly-traded company listed on the Bermuda Stock Exchange.

The Authority published a Gazette Notice on 21 December 2015 providing for any party to comment on the proposed transfer but no comments were received.

Noting under Section 25(1) of the ICTA Law (2011 revision) that such consent should not be unreasonably withheld - the Authority, following discussion of the consent request at today's Board meeting, consents to the Request.

Should you have any questions about the above, please feel free to contact me at (345) 946 4282.

Yours sincerely,

Alee Fa'amoe
Managing Director
