- 9.3 Charges payable by C&W to the Telco for a Service shall be the same as the Charges payable by the Telco to C&W for the same Service. In the event that C&W's Charges for a Service are varied pursuant to Clause 10, the Telco will vary its Charges for the same Service to ensure they remain the same.

- 9.10 In the event that either Party disputes the specific amount of any invoice delivered by the other Party under this Agreement the Parties shall resolve the dispute in accordance with the investigation and determination procedures set out in the Joint Working Manual. Notwithstanding any dispute as to any payment, the Parties shall remain obliged to continue to observe and perform the provisions of this Agreement.
- 9.11 Any amount in dispute shall, for the purposes of Clause 9.5, be deemed not payable pending resolution of the dispute under Clause 9.6. Nothing in this Clause shall be taken as permitting a Party to withhold payment of an amount that is not in dispute.
- 9.12 Where appropriate, any value added or other applicable tax shall be added to all or any part of the Charges under this Agreement, and shall be paid by the Party responsible for making such payment.

10. **Variation of Charges**

- 10.1 C&W may from time to time notify the Telco of changes to specific Charges,
- i) where the Authority has approved new Charges or changes to those Charges; or
 - ii) where a Third Party Telecom Provider has made changes to its charges, and these charges form part of the specified C&W Charges.
- 10.2 Such notice shall specify the date on which the variation is to become effective. In the case of changes falling within (i) above, the changes will take effect from the effective date approved by the Authority. In the case of changes falling within (ii) above, evidence of the change by the Third Party Telecom Provider shall be provided to the Telco, and the changes will take effect from the date set out in the notice as being the effective date, such date being at least 5 weeks from the date such notice is deemed to be received unless, in the case of changes falling within (ii) above, C&W does not receive sufficient notice from the Third Party Telecom Provider to give at least 5 weeks notice of any change that Party will give as much notice as is reasonably practicable.

11. **Billing**

- 11.1 Each Party shall be responsible for invoicing its own Subscribers.

- 11.2 Each Party shall be entitled to invoice the other Party for the relevant Usage Charges and Monthly Recurring Charges following the expiration of each Billing Period. Each Party shall use reasonable endeavours to deliver invoices in a timely manner in accordance with the Joint Working Manual.

- 11.4 Invoicing for the Joining Service shall be carried out in accordance with the relevant Service Description and all reasonable endeavours shall be used to ensure that all information necessary to produce a complete invoice for such Services is obtained in a timely manner.
- 11.5 Any failure to deliver invoices in accordance with Clause 11.2, 11.3 or 11.4 shall not be deemed to be a waiver of the invoicing Party's rights in respect of payment or a breach of a material obligation of the invoicing Party.
- 11.6 For the purpose of reconciling accounts, each Party shall use all reasonable endeavours to provide the other with Billing Data in respect of Calls conveyed from its System and handed over to the other Party at the Point of Connection in accordance with the Joint Working Manual.
- 11.7 Notwithstanding the above, in the event that:

15.3 Save as is set out in Clause 15.1 and 15.2, the Parties provide no other warranties, representations, undertakings or commitments in respect of quality of service including, but not limited to, warranties, representations, undertakings or commitments in respect of difficulties or faults which result in a failure to establish service, in-service interruption or loss of or distortion of communication, and all implied warranties are hereby excluded.

16. **Safety and System Protection**

16.1 Each Party shall be responsible for the safe operation of its System and shall take all steps reasonably necessary or required by law to ensure that such operation and the implementation of this Agreement:

- c) do not damage, interfere with or cause any impairment to or deterioration in the operation of the other Party's System;
- d) do not interfere with the use or provision of licensed telecommunication services provided by the other Party, provided that this principle shall not

preclude the taking of action by either Party in the normal operation of its System to protect its System, on condition that any such action is in compliance with the Joint Working Manual.

- 16.2 In the event that it is agreed to be necessary or desirable for representatives of a Party to access the premises of the other Party for the purposes of this Agreement, each Party shall use its reasonable endeavours to comply with all reasonable security and safety practices and procedures applicable to access to and operations on the premises of the other Party notified to it by the Party whose premises are being visited. - 22.2 A review notice shall set out in reasonable detail the events giving rise to the review required by the notice and the nature of the amendments sought by the Party serving the notice.
- 22.3 With the exception of reviews arising under Clause 22.1(c), a Party must serve a review notice within three (3) months of the event giving rise to the review. On service of a review notice the Parties shall forthwith negotiate the matters to be resolved with a view to agreeing the relevant amendments to this Agreement.
- 22.4 If, after a period of thirty (30) days from commencement of such review, the Parties fail to reach Agreement, the Parties shall resolve the dispute through the arbitration process outlined in Clause 34.1.3 to 34.1.8 of this Agreement.

22.5 For the avoidance of doubt, the Parties agree, without prejudice to any ultimate decision to the contrary, that the terms and conditions for this Agreement shall remain in full force and effect during such review until such time as this Agreement is terminated in accordance with its terms.

23.1 Either Party may suspend or terminate this Agreement or the provision of any Service or Services on notice in writing in the following situations on the following terms. Where no time frame is set out below, such notice shall be provided no later than seven (7) days after the suspension or termination, as the case may be. References to “suspension” and “termination” not only include suspension or termination of this Agreement, but also specific Services.

- a) Either Party may suspend where suspension is necessary to deal with a material degradation of either Party’s telecommunications network or services;
- b) Either Party may suspend where the other Party fails to pay any undisputed invoice or payable undisputed portion of an invoice within thirty (30) days of deemed receipt of an invoice, and may terminate where the other Party fails to pay any undisputed invoice or any undisputed portion of an invoice when due and has failed to remedy such non-payment within three (3) month of receipt of a notice from the billing Party that the Agreement will be terminated for non-payment;
- c) Either Party may suspend where the other Party is engaged in acts or omissions which impair the integrity or security of the Party’s network or services, and may suspend on five (5) days’ notice where the other Party is engaged in acts or omissions which will impair the integrity or security of the Party’s network or services and has failed to take reasonable steps during that period to ensure that such impairment does not result;
- d) Either Party may terminate this Agreement where Services have been suspended under the terms of Clause 23.1(c) above for at least ninety (90) days, and the suspended Party fails to remedy the acts or omissions giving rise to the suspension within ninety (90) days of notice under Clause 23.1(c) being given;
- e) Either Party may suspend where the other Party is in breach of any material obligation contained in this Agreement and may terminate where the other Party fails to remedy such breach within fourteen (14) days of notice being given;

Exercise of a right to suspend under Clause 23.1 shall not prejudice the suspending Party's right to exercise any other existing right to terminate pursuant to clause 23.1. The Party whose service is suspended shall remain liable for any Charges in respect of the suspended Service throughout the period of suspension.

24. **Effects of Termination**

24.1 Termination or expiry of this Agreement shall be without prejudice to the rights and obligations of the Parties accruing prior to such termination and such termination shall not affect the continuance in force of any provision of this Agreement which is expressly or by implication intended to continue in force (including but not limited to Clauses 1, 9, 11, 18, 20, 24, 26 and Paragraph 2.3.2.6 of the Joint Working Manual).

- 25.5 If the Force Majeure lasts for more than six months from the date of any such notification and notice of cessation has not been given and such Force Majeure prevents the affected Party from performing its obligations in whole or in part during that period, the unaffected Party shall be entitled (but not obliged) to terminate this Agreement by giving not less than thirty (30) days written notice to the other after expiry of such six month period, unless notice of cessation of the Force Majeure is received by the unaffected Party prior to the expiry of such thirty (30) days notice. If this Agreement is not so terminated under the provisions of this Clause 25, any obligations outstanding shall be fulfilled by the Party affected by the Force Majeure as soon as possible after the Force Majeure has ended, save to the extent that such fulfilment is no longer possible or is not required by the other Party.

30. No Waiver

- 30.1 Failure or delay by either Party at any time to enforce any of the provisions of this Agreement shall not be construed by the other as a waiver of any such provision nor in any way affect the validity of this Agreement or any part thereof.

writing that the dispute be escalated, identifying the Party's representative to whom that Party has escalated the dispute. If the Parties are unable to agree, within ten calendar (10) days of the dispute being referred to arbitration, on the rules for the arbitration, the dispute shall be finally settled under the Rules of Arbitration of the International Chamber of Commerce by three arbitrators (unless the Parties agree to a different number) appointed in accordance with the said Rules.

- a) using other dispute resolution procedures agreed to by the Parties in writing; or
- b) seeking (including obtaining or implementing) interim relief in circumstances where the Party is, or will be immediately, subject to a pressing and substantial harm due to the conduct of the other Party. Notwithstanding any application for interim relief, the Parties shall resolve the substantive issue in dispute in accordance with the procedures set out in this Clause; or
- c) Referring the dispute to the ICTA in accordance with any dispute resolution procedure that has been adopted by the ICTA.

34.2 For greater certainty, this process shall not apply to the resolution of faults pursuant to Paragraph 2.5.4 of the Joint Working Manual.

35. **Not Used**

36. **Insurance Provisions**

36.1 Each Party must maintain during the term of this Agreement a valid and enforceable public and product liability insurance policy providing coverage of at least

- 36.3 Whenever requested by either Party, the other Party shall promptly provide a certificate issued by the relevant insurer stating that a policy in the amounts set forth in this agreement for the named insured is in effect.

37. Filing of Agreement

- 37.1 Pursuant to Clause 2, this Agreement shall not come into effect until it is executed by the Parties. The Parties will use their best endeavours to file this Agreement with the Authority within two (2) days of execution. and will agree submissions to be made to the Regulator.

39. Counterparts

- 39.1 This Agreement may be executed in counterparts, all of which shall constitute one agreement, and each such counterpart shall be deemed to have been made, executed and delivered on the date set out at the head of this Agreement, without regard to the dates or times when such counterparts may actually have been made, executed or delivered.

40. Reference Interconnect Offer

- 40.1 To the extent that the terms of this Agreement depart from those included in a RIO lodged with the Authority, the agreement to the inclusion of any such terms in this Agreement shall not be taken as acceptance by C&W that the terms of this Agreement are appropriate for inclusion in the RIO or that the equivalent terms in the RIO are inappropriate.

41. Deposits

- 41.1 C&W may require the Telco to provide a security deposit. The amount of any such security deposit shall not exceed the sum of three (3) months Usage Charges for all Services used, or forecast to be used, by the Telco as set out in the Final Forecast. Any security deposit furnished under this clause shall be returned to the Telco with interest, less any outstanding Charges, in the event the Agreement is terminated. The deposit shall also be returned, with interest, once the Telco has paid all undisputed Charges, or payable disputed Charges when due for a period of twenty-four (24) months.
- 41.2 The amount of any security deposit required pursuant to Clause 41.1 may be increased where the Telco's current usage pattern of all Services indicates that Charges due in the current Billing Period will exceed, or have exceeded, the amount of any existing security deposit in respect of an equivalent period of time held by C&W by twenty (20) percent.
- 41.3 Any increase to the security deposit pursuant to Clause 41.3 shall be limited to the difference between the existing security deposit, and the sum of three (3) months Usage Charges for all Services based on the Telco's current usage pattern, and such increase shall be paid within seven (7) days of receipt of notice from C&W. 43. Interim Mobile Termination Rate

- 43.1 The Tariffs for Mobile Termination Part of the PLMN Terminating Access Service set out in the Tariff Schedule (the "Interim Mobile Termination Rate") constitutes an interim Tariff between the Parties. The Parties agree that on signature of this Agreement, they will submit to the Authority a joint letter to the Authority requesting a determination under the Information and Communications Technology Authority (Dispute Resolution) Regulations, 2003 ("Dispute Resolution Regulations") in respect of a final Mobile Termination Rate. The joint letter will request that the Authority issue its determination on a final Mobile Termination Rate within a three-month timeframe. The Parties undertake to separately submit all information in support of their respective positions and any other information required by Section 5 of the Dispute Resolution Regulations by February 27th 2004. Subject to any appeal available to either Party, the Tariffs for Mobile Termination Part of the PLMN Terminating Access Service determined by the Authority (the "Authority Determined

Mobile Termination Rate") will apply from the date of signature of this Agreement. In the event that the Authority Determined Mobile Termination Rate is higher or lower than the Interim Mobile Termination Rate, the difference between the amounts that would have been paid had the Authority Determined Mobile Termination Rate been in effect from the date of signature of this Agreement shall be credited against the next invoice issued by C&W or Telco (as applicable).
