Dear Mr Archbold,

Public consultation on cost model – response to third round of ICTA/Telecordia interrogatories

I am writing further to my colleague (Elizabeth Wilks-Wood) correspondence with David Laliberte on 30 November 2007.

By letter dated 8 November 2007, the Authority set a new timescale for the further procedures for CD 2005-1. Digicel requests a brief extension to the deadline in which to provide comments on the aforementioned response to the 3rd round of interrogatories.

Digicel is conscious of the fact that the Authority wishes to progress its work on the cost model as a matter of urgency, however it would appreciate a short extension until **5pm Friday 7 December 2007**, in which to provide its comments. We trust that this very brief extension would not adversely impact on the Authority's continued work on this matter.

Yours sincerely,

“Signed”
