Dear Mr. Archbold,

Re: ICT Decision 2012-2 – FLLRIC Decision – Mobile Termination Rate

Cable and Wireless (Cayman Islands) Limited, trading as LIME (“**LIME**”) is writing further to the Authority’s directive at paragraph 41 of the above-noted ICT Decision 2012-2, “*Decision for the FLLRIC (Phase III) follow-up proceeding*” (17 May 2012) (the “**Decision**”). LIME has reviewed its Interconnection Agreements with Digicel Cayman Limited (“**Digicel**”), WestTel Limited, trading as Logic (“**Logic**”) and Telecayman Limited (“**Telecayman**”), and has concluded that there are no terms and conditions in the said Agreements that would prevent the immediate use of the FLLRIC-based rate for the PLMN Terminating Access Service.

The relevant provision of the LIME-Telecayman Interconnection Agreement (the “**Agreement**”), clause 10, is reproduced below.

LIME-Telecayman 2009 Interconnection Agreement

10. **Variation of Charges**

10.1 LIME may from time to time notify the Telco of changes to specific Charges,

- i) where the Authority has approved changes to those Charges; or

- ii) where a Third Party Telecom Provider has made changes to its charges, and these charges form part of the specified LIME Charges.

Such notice shall specify the date on which the variation is to become effective. In the case of changes falling within (i) above, the changes will take effect from the effective date approved by the Authority. In the case of changes falling within (ii) above, the changes will take effect from the date set out in the notice as being the effective date.

It is evident from the foregoing that LIME may notify the other party of a change in rates based on a decision of the Authority, to be effective the date of the decision of the Authority. In this case, paragraph 28 of the Decision is clearly a decision of the Authority approving a rate of CI\$ 0.0284 per minute for the PLMN Terminating Access Service, with an effective date of 17 May 2012 per paragraph 41 of the Decision.

By copy of this letter, therefore, LIME hereby notifies Telecayman, in accordance with the terms of paragraph 10.1(i) of the Agreement, that the rate for the PLMN Terminating Access Service shall be CI\$ 0.0284 per minute, effective 17 May 2012, as approved by the Authority in the Decision.

Please do not hesitate to contact the undersigned if you should have any questions.

Sincerely yours,
Cable and Wireless (Cayman Islands) Limited, trading as LIME

'Signed'
